

The Cryptokitties Charity Raffle opens at 18.59 UTC on October 11, 2018 and closes on October 31, 2018.

The Cryptokitties Charity Raffle is hosted at <https://cryptokitties.sp8de.com>

All proceeds will support Cat Town (<https://www.cattownoakland.org/>) . SP8DE is not responsible for payments processing and the funds usage.

Provably fair blockchain-based Random Numbers Generator (RNG) is used to select the winners, results will be announced at <https://cryptokitties.sp8de.com> on October 31, 2019. The drawing is operated by 2-round CHAOS RNG:

- The #1 winner (#1 pull) gets an exclusive DogCat cryptokittie;
- The following 3 winners get 1 cryptokittie each.

Winners will be notified via e-mail shortly after the lottery closes.

In case if the winning ticket was purchased using an Ethereum wallet, the prize will be sent to this wallet automatically. In case of purchases made using other payment options, the winner should provide Ethereum wallet address.

Cryptokitties will be sent to the winners directly, SP8DE is not responsible for prizes distribution.
